

Dear Parents/Carers,

Welcome back, and a very Happy New Year to everyone. I really hope that 2021 will be very different.

You will be aware of the latest measures taken by the Government over the Christmas holidays.

We are now in Tier 4, along with much of the country. Last week, it was announced that some primary schools would not be returning to school yet due to infection rates in London. We are fortunate that this does not apply to us here in the North East. The vaccine is the light at the end of the tunnel, but in the meantime we must all do everything we can to keep ourselves and each other safe.

**Tweedmouth West will be open from tomorrow, January 5<sup>th</sup> as usual.**

We have every possible measure in school to keep everyone safe. We will do all we can to keep life as normal as we can, and to give the children the very best learning opportunities.

Together, we will get through these difficult times.

Take care, and be kind to each other.

Mrs Robertson
