Respect, Responsibility Resilience

1.5.20

Dear Parents/Carers,

We've made it to the end of another week. Well done everyone!

Thankyou to you all for the efforts you are making to do school work at home with the children. I am really enjoying seeing what they have done – particularly when there is a video or voice attached. It is so lovely to keep in touch this way.

I am really looking forward to seeing what the children send in next week.

I think we are all learning how technology can help us to feel connected. I have had several virtual meetings this week, something I have never done before. We are all learning as we go along – but it is definitely worth it!

I would like to say a huge thankyou to all the school staff, working tirelessly to keep in touch with children at home, and taking great care of the children in school. I know I can speak for everyone when I say how much the staff at Tweedmouth West are missing you all!

Keep safe, and be kind to each other.

Warmest wishes

Anne Robertson
