Respect, Responsibility Resilience

17.4.20

Dear Parents/Carers,

We are now reaching the end of the 'Easter Holidays' – the strangest holiday we have ever had!

Next week, the children will have online work to do at home, based on See Saw or Google Classroom. You should all have received a Parentmail message explaining the online platform relevant to the needs of your child by the end of today (Friday 20th April). Please send us a message via Parentmail on Monday 20th April if you have not received these details.

This is a very different way of working for you and for us, so please do not panic if you have any technical difficulties.

The Tweedmouth West staff have been working very hard to get this out to you ready for Monday, and it has been a huge learning curve for us all! Keep a positive attitude, and encourage the children to do their best.

I would like to say a huge thankyou to all our families who are working in shops and services, helping to keep our lives as normal as possible.

Keep safe, and be kind to each other.

Warmest wishes

Anne Robertson
