

Options for school education in The Berwick Partnership of Schools: Have your say

Earlier in 2016 the Department of Education and Lifelong Learning at Northumbria University was commissioned to undertake an independent piece of research exploring options for the future of school education in Berwick. So far we have mainly spoken to staff and some parents in some schools. Now we would like to open the research up to parents and other stakeholders and members of the community to ensure we hear as many perspectives as possible. To do this we are holding three informal drop-in sessions where we would very much like anyone with an interest in schools and the future of education in Berwick to come and share their views and opinions. We are particularly keen to meet parents of children and young people currently or soon to be at school in Berwick.

Details of the three informal drop-in sessions are as follows:

Drop-in session 1

Henry Travers Studio at The Maltings,
Eastern Lane, Berwick-upon-Tweed, TD15 1AJ

Thursday 16 June 2016

2.30-5.30pm

Drop-in session 2
