

Tweedmouth West First School

Respect, Responsibility Resilience

5.6.20

Dear Parents/Carers,

I'm sitting here writing this newsletter, while the rain is pouring down outside. My sunburn has not quite gone from earlier in the week! What a change! But we have had the most beautiful weather in the most difficult of times, and I am very grateful for that.

Next week is going to be another huge change at Tweedmouth West, as we welcome back some of our children in Reception and Year 1. The staff have been extremely busy getting the classrooms ready. They look very different, but I know our children are very resilient, and will have great support from the staff to help them to adapt to this 'new' school.

For those of you still at home, our virtual learning will still be happening, so please continue to encourage your children in their work. We love seeing them in the videos you are posting.

I would like to say a huge thankyou to our Key Worker families, who have been keeping us all going since day 1 of lockdown. All those vital services on the front line have meant life could go on for everyone, whatever their circumstances.

Keep safe, and be kind to each other.

Warmest wishes

Anne Robertson
