

## Maths Workshop for Reception Parents/Carers

**Friday 23rd November 2018**

**9 – 10am**

Dear Parents/Carers,

I would like to invite you to a Maths workshop. In this workshop I will show you a resource that you can use at home to support your child's understanding of number. It will be relaxed and we will not look at numbers beyond 20! Maths is a core subject and helping your child understand the basic fundamentals early on in their development will help them throughout school and further in their education.

I hope you see you at the workshop.

Mrs Poole

Maths Co-ordinator
